## ONE BULLET VERY DEADLY

Shooter Dead, Also His Friend And Woman May Die

TRAGEDY AT DENVER, COL. ward W. torship.

William McCrary Shot Himself Through Head and Bullet Kept on Through Arthur Knowles' Head-Mrs. Julia Sohn Then Drank Carbolic,

Denver, Col., Feb. 14.-When William McCrary committed suicide by shooting himself here last night he not only took his own life but he inflicted a fatal wound on a friend and his act caused the attempt at suicide of a woman who is supposed to have loved him. The woman in the case is Mrs. Julia Sohn, and the friend was Arthur Knowles.

It was because of business and marital troubles that McCrary sought to end his life. He fired a bullet into his brain. Knowles was standing beside Mc Crary at the time, and the bullet, after ploughing through the suicide's head struck Knowles and inflicted a wound which resulted in his death shortly aft er McCrary had passed away. The bullet had hit Knowles in the brain also When Mrs. Sohn heard of McCrary's act in killing himself she took carbolic madian reciprocity bill at 11 o'clock this acid, and it is stated by the attending morning, it was announced that the pro-

TO WORK FOR GOV. WILSON.

Cincinnati Democrats Opposed to Harmon for President.

Cincinnati, Feb. 14.-One thousand Democrats in six wards of Cincinnati have already signed papers which make them members of the "Progressive Dem-ocratic League." This league is to work for the candidacy of Gov. Woodrow Wil-son of New Jersey for president. It has, besides, the co-operation of the large wing of the party up the state, which has been and still is very much put out with Gov. Judson Harmon for failing to work for the candidacy of Ed-ward W. Hanley of Dayton for the sena-

George Schloss and William Marschheuser, local Democratic officials, say that the league will soon have several these Democrats look upon Gov. Harmon

as being a reactionary. We have bones to pick with him, both for his national platform ideas and his treatment of a large part of the Hamilton county Democrats, who have never been considered in the giving of state positions. The local men say that the ague is to become state-wide, and that if they work out its destiny Haron will receive but a small majority of this state's delegation to the national

Headquarters are to be opened. An initiation fee of \$1 and dues of 10 cents a month will put the body on a selfsupporting basis. And up the state Hanley and his friends are organizing mobile was traveling at a high rate of clubs which will be against the governor's candidacy.

PASSAGE OF MEASURE DELAYED. Proposed Agreement to End General De-

bate on Reciprocity Failed. Washington, D. C., Feb. 14 .- When the House resumed consideration of the Ca-

posed agreement to end the general de-

ure might be delayed two days. Last night it was generally believed that a final vote on the bill would be reached to-day, but a conference was held on the floor this morning, when it was seen that an agreement was out of the question. Motion was then made that "calendar Wednesday" be dispensed with to-morrow so that the consideration of the measure could continue. Speaker Cannon ruled this motion as out of order, as to dispense with "calendar Wednesday" requires a two-thirds vote. Efforts to do so will be renewed to-morrow. A debate on the agreement fol-

For Trial of Iaccobucci, Charged With Murdering Schittini.

TESTIMONY ALL IN

Woodstock, Feb. 14 .- On the reopening of Windsor county court yesterday afternoon a few hours were spent in taking testimony in the case of Incoobucci, charged with murder, and then the case was turned over to the lawyers for their arguments to-day. The first witness called was Fred Brescette, who last August lived on the road from White River Junction to Wilder, and whose bedroom window gave a view of the clump of bushes where the body of Schittini was onnd.

of August or first of September as he was going to bed he heard a shot near the house. Later he heard the matter discussed at a grocery store. On cross examination he could not fix the date of the shot, but knew it was while he was engaged on certain coal teams. Robert Gribben was next called. He

is an employe of the International Paper company and described the grounds where the skeleton was found, with respect of certain measurements. Two clothing dealers of White River

Junction testified the piece of strap were hurt to-day when a touring car skidded on the icy pavement and crashed into a telephone pole.
